ABOUT ME

A creative thinker with experience in art, design, and marketing moving into the world of front-end development. I am looking forward to combining my skills in design and Front-End Engineering to create or maintain applications using JS and the latest technologies.

EXPERIENCE

FRONT-END DEVELOPER
TURING SCHOOL OF SOFTWARE & DESIGN |

- A 7 month, intensive front-end engineering program that focuses in understanding programming languages and design principles.
- Focus on UX/UI principles, HTML, CSS, JavaScript
- Implement React, Router, Redux, Ember, TDD, and proper workflow procedures.

OFFICE MANAGER & MARKETING MANAGER
BOULDER BLOOMS | SEPT 2014 - NOV 2016

- Managed social media accounts, email campaigns and online presence. Created social media graphics for daily postings, emails, and website.
- Organize office operations and procedures: account billing, file management, employee hiring and training, scheduling, website management and upkeep.
- Organize and oversee completion of events and weddings: set-up, consultations, wedding software training and upkeep, bridal correspondence, billing, floral design, set up and plan bridal show expos.
- Product photography, seasonal photoshoots, design of company wide print advertising for Boulder Blooms, Palmer Flower Companies and Bliss Wedding Florist

ADMINISTRATIVE ASSISTANT
COLORADO PHOTOGRAPHIC ARTS CENTER (CPAC) | OCT 2013 - APR 2015

- Spearheaded the organization of major events such as: CPAC Fashion Gala 2014, Hal Gould Award Dinner 2014/2015, & CPAC Portfolio Reviews 2015.
- Organize office operations and procedures. Intern hiring and training.
- Non-profit management: grant writing, donations management, membership database upkeep. (501(c)(3) Organization)
- Managed social media accounts, email campaigns and website upkeep.
